Cinq Lumière Gazette's Editor-in-Chief...
I want to know!
What the world wants to know...
Mmm
Put it together and whaddaya get?
Masuko
Mika!
Mass Commika!

Hey! Please don't ignore me when I'm introducing myself!
That's Worcester sauce, Nozomi-san
Here
Nozomi, could you pass me the soy sauce?
I'm looking into some rumors for the next issue of the Cinq Lumière Gazette
and figured I'd run a special edition focusing on the relationship between President Minazuki and Akimoto-senpai!
We're eating lunch right now, so keep it short
Ah, Masuko-san
What brings you here?

Look, Masuko-san, the relation-ship be-tween Karen and I
isn't the kind everyone thinks we have
Now now
There's no way I'm spending my time off with this good-for-nothing!
Give me a break!
We've received a lot of eyewitness accounts from students observing your relationship
Please, let me do a report on you two during your days off!
*this is a fantasy

バン!!
Eh!?
Well, okay then.
That's why I need solid proof to set the record straight! So please, let me cover you!

We're counting on you to give us TOTAL COVERAGE
Y-Yes?
Well then, Masuko-san
Kona-chi!
What are you thinking!?

8:45
Day of the interview
You want total coverage of me and Karen's day off, right?
Then it's best if you have a personal experience and join us in our usual activities.
So...
What the heck is this all about?
I thought you said... you two didn't have this kind of relationship?
Did I?
What I meant was that our relationship is much more intense.

Hey, Komachi, I really think we should stop..
Masuko-san looks like she doesn't want to do this
Oh, is that so?
That's too bad. I kinda thought...
this would be a great opportunity for you to have a more intimate bond with President Minazuki.
A more intimate bond
with President Minazuki..
Are you alright, Masuko-san?
Ah!
If you're really against this, would you rather go back home?
If it's with President Minazuki, I don't... really..
mind..
I don't mind..
Ah...
Er... well...

Masuko-san..
on what you and Akimoto-senpai always do together..
Please let me do a report..
Don't worry about a thing
You just leave it to Karen.
O-Okay..
08

R-Right..
Okay, Masuko-san. Try giving a report on what you're feeling right now
Nn..
Fufu..
Just Karen is fine.
She's k-kissing them all over...
on my belly button..
Ah
Fwa..
P-President Minazuki is... on my breasts... on my stomach..

Y-Yes...
K-Karen-san's lips are soft and gentle...
Her kisses on my stomach are giving me a somewhat s-strange feeling
HYA!
Wai... K-Karen-san, you can't lick there! It's d-dirty...
It's not dirty at all, Mika
It's really pretty
Oh my, what a lovely sound!
It reminds me of when I used to play the recorder

FWAH... AH... KAREN-SAN...
K-Karen-san...
AH
KAREN-SAN... AH!

Looks like it felt good, Masuko-san.
Now it's your turn to make Karen feel good as well.
Karen is waiting for it, so give it a try, Karen-san.
Look
W-Wait, Komachi...
I-I'll do my best
Okay

Fwah...
Ah
Ah
Noo...
Yeah... It feels really good, Mika.
Am I doing alright, Karen-san?
Um...
Like this.?
Um...
Here If you move like this, then both of you can feel good at the same time
Hya

M-Me and Karen-san are rubbing against each other...
FWA
Karen-san.. also seems to be really feeling it..
S-Stop
Don't talk so much.. It's embarrassing..
Ahh
Ahh im cumming
MMM
HA
mwa

Fu
-fu..
You were very cute, Masuko-san.

Mmm..

I'M CUMMING !!!
AAH

Today..
I sure learned a lot of new things..
Oh my!
If it's fine with you, Masuka-san, would you like us to teach you even more things?
For example..
All of Karen's weak points, perhaps?
Komachi!!
Quit screwing arou-mmf!
I..
want to know more about you two..
Ceez..
Can't be helped, I guess..

Let's see...
The pair spent the entire day reaffirming their relationship as best friends... is what it says!
That's a pretty honest report.
CINQ LUMIÈRE GAZETTE
Ah! Karen-san and Komachi-san's article has just been posted!
Of course! Cinq Lumière Gazette's mission.
is to deliver the truth to those who desire it!
By the way... President Minazuki, Akimoto-senpai.
Next time...
Please let me do some more "total coverage"!
